Circular Cut Off Saw -
 with Stand
 315mm Blade.
 2 Speeds.
 (CS315)

Circular Cut Off Saw
 225mm Blade. Single Speed.
 (CS225)

The CIRCULAR CUT OFF SAWS are used for cutting tubing, pipe, angle iron, and more. The saw has a solid steel base with a coolant tank and pump included as standard. A material stop is included to achieve multiple repeatable cuts. The machines are fully guarded.
